

# Es Mercadal Treasure Hunt

## Before you set off

1. Before you leave home, don't forget to print out the treasure map and the gambit answers sheet to use during your hunt.
2. The answers to names and places will be in Catalan, not English or Spanish.
3. Take a mobile phone or tablet, you'll need access to this website if you want to check your answers as you go.
4. We recommend you use Google Maps to explore each location as they have a lot of additional information that will help you solve the puzzles.
5. Please consider taking a bag with you. That way, if you see any litter while you are out on your hunt you can be a good neighbour and pick it up.
6. Check out our [Gambits](#) page to see what types of clues you can expect to find on your hunt. If it isn't on the list, we won't use it.
7. Read our Safety Tips to prepare for your Hunt.
8. Don't forget to say "Hola" or "Buenos Días" to people you meet. And most of all, have fun!
9. Ask yourselves these questions before you go on a hunt: -

- Do I have the right clothing, sunscreen, and the proper equipment?
- Do I have enough food and water?
- Did I share my plans with someone, including my proposed route and time of return?
- Have I checked the weather forecast to ensure it is safe to go?

But most of all, have fun!
